

MAESTRO TOUCH X2 DOUBLE CUP BIG

The new Maestro Touch by Necta looks very elegant, with its dark coloured external details and a 24" full HD touch screen without frame.

Lavazza customized the user interface, in order to offer a premium user experience, spreading the brand image also in Vending.

The double offer of coffee (BLUE capsules and beans) and the wide range of beverages, make the new Maestro Touch the best solution for medium/large companies and areas open to the public.
